Jacopo Foggini

General description:

Clear and with the lightest of shades of colour, suave, imperceptible, in this collection where each model is made from a single weave of polycarbonate, moulded by hand in the classic green colour of natural glass. The collection is composed of a low armchair, quintessential like the three tables that accompany it. An irregularly shaped three-legged table, a square table and a large rectangular one.

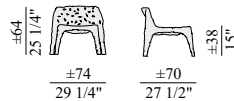

Technical description:

Collection composed of a single polycarbonate shell, handmade and moulded, glass colour. Suitable for indoor or outdoor use.
